SKILLS

Languages:	Python, C, C++, JavaScript
Technologies:	HTML, CSS, Cloud Computing, Generative AI, AutoCAD
Databases/Tools:	PostgreSQL, Git, GitHub, Arduino, ESP32-CAM, Microsoft Excel
SoftSkills:	Problem solving, Team collaboration, Time management, Adaptability

PROJECTS

AgroTech - Smart Farming Dashboard GitHub	Oct 2025 - Present
- Developed and integrated the hardware/IoT layer of a smart farming prototype using ESP32 and ESP32-CAM for field monitoring. - Integrated sensors for collecting soilmoisture, temperature, and humidity data and transmitting readings for real-time monitoring. - Worked on ESP32-CAM integration for capturing field images and connecting the camera system with the project's monitoring workflow. - Contributed to the web dashboard for displaying sensor data and supporting crop/field analysis features. Tech Stack: ESP32, ESP32-CAM, Sensors, Firebase, HTML, CSS, JavaScript, Chart.js	
Expense Categorizer GitHub	July 2025 - Nov 2025
- Developed a command-line expense tracking application using Python and file handling for persistent data storage. - Implemented expense categorization and automatic category-wise summaries. - Added input validation and functionality for adding, viewing, clearing, and resetting expense records. Tech Stack: Python, File Handling	

TRAINING

Lovely Professional University Certificate	
Cyber Security Workshop LPU / ANSH InfoTech	Oct 2025
- Participated in a hands-on technical workshop covering cybersecurity fundamentals, threat awareness, and basic defensive concepts. - Gained introductory knowledge of Denial-of-Service (DoS) and Distributed Denial-of-Service (DDoS) attacks and their impact on service availability. - Observed a real-time demonstration of traffic-based service disruption on a website. - Learned about basic approaches to identifying security threats and improving system resilience.	

CERTIFICATES

Community Development Project(CDP) Times Foundation × LPU	Aug 2026
Introduction to Cloud Computing Infosys	Mar 2026
CS205: Building with Artificial Intelligence Saylor Academy	Dec 2025
From Syntax to System: Elevate with Python TutorialsPoint	Sep 2025
Hands-on Bootcamp on Artificial Intelligence BlockseBlock / OpenAI	Aug 2025

EDUCATION

Lovely Professional University	Phagwara, Punjab
B.Tech in Computer Science and Engineering	CGPA: 9.41
	Aug 2025 - Present
City Sr. Sec. School	Bawani Khera, Bhiwani, Haryana
Higher Secondary Education	Percentage: 87%
	May 2024 - May 2025
City Sr. Sec. School	Bawani Khera, Bhiwani, Haryana
Secondary Education	Percentage: 85%
	May 2023
